In Springfield he had served on the board of public works, and for nine years, from 1860, was superintendent of streets.

One of Vermont's Smartest Towns. -The rapidity and enthusiasm with which our shoe company has been organized and the factory erected has called forth complimentary notices from a number of state papers. One of the best is the following from the editorial columns of the Burlington Free Press of an issue of last week:

St. Johnsbury's new shoe company was organized five weeks ago; on the third day of Pebruary the sills of the factory were put in place, and on Monday last the first pair of shoes were cut by the president of the company. BUSINESS MEN'S CARNIVAL. A Grand March,-Pretty Costumes,-Adver tising Verses,-Pleasing Music.

One of the most successful and pleasing entertainments given in this place for some time entirely by home talent was the business men's carnival Monday and Tuesday evenings. It was a surprise to all that in so short a time a performance of that magnitude could have been so well prepared. There were only three rehearsals, and the last one was particularly discouraging, but when the young people assembled on the stage Monday evening they settled down to business and delighted every one by performing

their parts in a splendid manner. The first thing on the programme was the grand march by ninety young people, representing as many business firms. Each one carried a banner with the name of the firm represented on it. The banners were in colors, red, blue and yellow. The maneuvers of the march were finely done and the many handsome, elaborate and unique costumes added greatly to its appearance.

Below we give the names with a brief lescription of the dresses of those who sang and spoke the praises of the different business firms:

Miss Alice Brown, queen of the carnival, opened the programme of the evening with a solo rendered in a pleasing manner, after which she retired to her seat of honor on the throne and received the various sections of advertisers as they came forward escorted by two small maids of honor, Misses Maud and Mary Lane, to render their recitations or songs. Miss Brown's queenly robe was of white with a long court train. Mrs. Helen F. Carpenter's stock of

fancy goods and art supplies was represented by Miss Marion Patterson arrayed in a dark gown trimmed with handkerchiefs, spools of colored silk, etc. Pairbanks' grocery was represented by Miss Florence Hyde most becomingly gowned in white with a large picture hat trimmed with white ribbon and plumes. blue ribbons and carried a pitchfork. The Republican's representative, Miss Annie Grant, was dressed in white, the trimming being composed of that paper's heading put on in short rows around the hem of the skirt.

Miss Grace Hinsman was Bingham's advertiser. Her costume of white was decorated with a fringe of small bottles of different colors. She carried scales which were su mounted by a mortar and pestle on which an owl was perched.
